This block is of a **Blue Wizzrobe**, a type of enemy that Link would encounter inside of dungeons within the game. Wizzrobes shoot magic bolts at Link to hurt him and could disappear and reappear elsewhere, making them a tough enemy to kill. Blue Wizzrobes (as is shown in our block) are the most difficult type of Wizzrobes. They can fire continous spells at Link while they chase him around the room and can can cross areas that other Wizzrobes typically cannot.
