THE QUILT-ALONG

RED DARKNUT

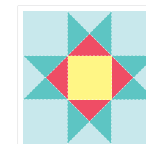

This is the sixth block within our Zelda: The Quilt-Along, released on June 1st, 2015. For further instructions on putting this block together, along with fabric requirements, recommendations on fabrics and links to the additional blocks within this quilt, please check out this page on QuiltingLinda.com. 	Red <i>Kona Red</i>		White <i>Kona White</i>

This block is of a **Red Darknut**, a type of enemy that Link would encounter inside of dungeons within the game. Darknuts essentially are caped knights, carrying a shield in front of them that prevents Link from doing any damage to them head on and a sword used to attack. In order to attack a Darknut, Link must quickly attack them with his sword from behind. Red Darknuts are slightly easier enemies than the Blue Darknuts, who move much more quickly and deal more damage to Link when they hit him with their sword.
