

ZELDA

THE QUILT-ALONG

PRINCESS ZELDA

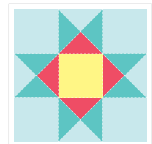

This is the seventh block within our Zelda: The Quilt-Along, released on July 1st, 2015. For further instructions on putting this block together, along with fabric requirements, recommendations on fabrics and links to the additional blocks within this quilt, please check out this page on QuiltingLinda.com. Use the key below to help put together your block:

	Black <i>Kona Black</i>		Yellow-Orange <i>Kona Cheddar</i>
	Red <i>Kona Red</i>		Brown <i>Kona Earth</i>

This block is of **Princess Zelda**, the princess that Link is attempting to rescue within the game as well as the namesake of the game itself. In every game of the Zelda series, Princess Zelda is captured or put in danger by evil forces -- generally led by a villain boss named Ganon. It is up to Link to save her. Many people unfamiliar with the game series incorrectly refer to Link (who is the main character in the games) by the princess' name "Zelda", as they assume that the title of the game is referring to the main character and not the damsel in distress.
