

ZELDA

THE QUILT-ALONG

LINK (PART I)

This is the tenth block within our Zelda: The Quilt-Along, released on October 1st, 2015. This is actually a very large block that we will be doing in 4 different sections. This is the first section. For further instructions on putting this block together, along with fabric requirements, recommendations on fabrics and links to the additional blocks within this quilt, please check out this page on QuiltingLinda.com. Use the key below to help put together your block:

This block is of **Link**, our main hero and the character that is played by the individual gamer. Link is typically depicted as a young boy or teen in green clothing that is called upon to leave his home and save Hyrule (the world within our Zelda games) and Princess Zelda. As he is the main character throughout the games, we doubled his size as compared to all of the other items within our block, as to help showcase his importance.
