

## LINK (PART III)

This is the tenth block within our Zelda: The Quilt-Along, released on October 1st, 2015, with this being the third section out of a total of 4 sections. For further instructions on putting this block together, along with fabric requirements, recommendations on fabrics and links to the additional blocks within this quilt, please check out this page on [QuiltingLinda.com](http://QuiltingLinda.com). Use the key below to help put together your block:

*Kona Black*

**Yellow-Orange**  
*Kona Cheddar*

**Green**  
*Kona Sour Apple*

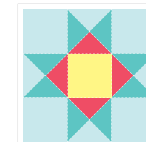

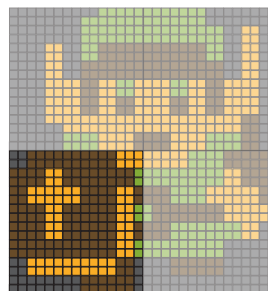

**Brown**  
*Kona Earth*

Within each Zelda game there is an incarnation of **Link**, all of which share both physical and non-physical characteristics. The connection of all Link characters, whether they are the same character or an ancestor of Link is unknown. Link only speaks three times throughout all of the Zelda games and by gamers that enjoy the series, this is seen as a misstep. Not typically hearing Link's voice allows gamers to immerse themselves and be Link.
